The adoption fee cost is based on the type of dog adopted and includes the transportation costs and veterinary fees of each rescue. Thank you for considering one of the deserving dogs! Our adoption approval consists of confirmation of quality vet care, rental property or HOA permission and application review by our adoption coordinator. Our mission at Forever Loved Animal Rescue is to find the best possible home for our dogs. We do not adopt out on a first come first basis, but instead strive to find the best match for the dog and new family. Adopting a dog is a 12 to 16 year commitment; we hope to make it one of the most rewarding experiences of your life!
